Subject: Calgary Transit Inner City Bus Review Open Houses

Good Afternoon All,

Transit has finalized the times and locations for our Open Houses and are summarized below.

The format will be Open House style with display boards and staff on hand to answer questions. There will also be an area for the public to provide comments and suggestions. We will be asking for feedback and suggestions before Friday March 5.

As mentioned prior, onboard notices will be handed out to customers on affected bus routes with a brief summary and a link to our website ([http://www.calgarytransit.com/html/inner\\_city.html](http://www.calgarytransit.com/html/inner_city.html)). From the website, they will also be able to comment on the proposed routes through an email link or contacting our Transit Call Centre at (403) 262-1000. Customers who cannot make the open houses are still able to view the information on the website and comment through the email and phone links.

Transit intends to have these route changes implemented on Monday June 28, 2010. Customers will be notified about the final changes through updates on our website and through a riders guide that will be mailed to all households in affected communities.

Feel free to pass this on to fellow riders and other members of the public.

Let me know if you have any questions,

Asif
